MAHOGANY BUILDER'S COMMUNITY OUTREACH EFFORT = SUCCESS!

"The best measure of success is one's impact on the lives of others."

Chicago (October 2008) - In an effort to support and raise money for local schools and non-for-profit organizations, Mahogany Builders donated \$3,000 in handyman services.

As a local business, Mahogany Builders donated a total of forty-eight hours of handyman services to twelve silent auctions and raffles held by local schools and non-for-profit organizations. Each of the \$250 certificates was valid for a half day of handyman services to be performed by Mahogany Builders' highly acclaimed crew. The community outreach effort proved to be a great success, as some of the certificates received double and even triple their face value in the silent auctions.

The local schools that received certificates for their fall fundraisers are:

Josephinum Academy
Lycee Francais De Chicago
Near North Montessori School

Among the wide variety of supported non-for-profit organizations' events are:

Junior League of Chicago - Gazebo Holiday Market

"Committed to promoting voluntarism, developing the potential of women and improving community through effective action and leadership of trained volunteers."

L.E.E.P. Forward - Into Arts Charity Event

"A benefit to help children with autism spectrum and related disorders achieve their fullest potential through the arts including drama, dance/movement, music and art as well as individual and group developmental therapy."

The Brennan Ammentorp Angel Foundation's - Bogey Buster Scramble

"An organization funding extracurricular literacy, music, and sports programs in the community."

Journeys from PADS to HOPE

"Assisting men, women, and families in Cook County who have become or are at risk of becoming homeless."

Helping from Heaven - Masquerade Gala

“Dedicated to improving the comfort and quality of life for children with special needs.”

Holiday Meals on Wheels - A Suburban A Fare Celebrity Chefs Brunch

All God’s Children - Pine Meadow Golf Outing

“Dedicated to the orphaned and disadvantaged children of Honduras.”

Age Options - The Area Agency of Aging of Suburban Cook County

Aiding in raising the much needed funding for the schools and organizations is just one way which Mahogany Builders is reaching out to the community.
